

I have come to a frightening conclusion.

I am the decisive element in the classroom.

It is my personal approach that creates the climate.

It is my daily mood that makes the weather.

As a teacher I possess tremendous power to make

a child's life miserable or **Joyous**. I can be a tool of torture or

an instrument of inspiration. I can humiliate or humor;

hurt or heal.

In all situations it is my response that decides whether a crisis will be escalated or de-escalated, and a child **humanized** or de-humanized.
